

TRAINING CALENDAR 2024-25

**Indian Council of Forestry Research & Education,
Dehradun**

INDEX

S.N	Institutes	Pages
1	ICFRE, Dehradun	1-2
2	ICFRE- Forest Research Institute, Dehradun	3-4
3	ICFRE- Institute of Wood Science and Technology, Bengaluru	5-6
4	ICFRE-Arid Forest Research Institute, Jodhpur	7-8
5	ICFRE-Tropical Forest Research Institute, Jabalpur	9-11
6	ICFRE-Himalayan Forest Research Institute, Shimla	12-13
7	ICFRE-Institute of Forest Genetics & Tree Breeding, Coimbatore	14-16
8	ICFRE-Institute of Forest Productivity, Ranchi	17-18
9	ICFRE-Rain Forest Research Institute, Jorhat	19-23
10	ICFRE-Institute of Forest Biodiversity, Hyderabad	24-25

INDIAN COUNCIL OF FORESTRY RESEARCH & EDUCATION, DEHRADUN

Trainings under HRD Plan

Trainings for Scientists

S.N	Topic	Training Types	Dates	Funding Agency
1.	Statistical Methods in forestry	One Week Training	Apr-Jun, 2024	CAMPA
2.	Introduction to Remote Sensing and GIS	One Week Training	Jul-Sept, 2024	CAMPA
3.	Forest Genetics resource management & conservation	One Week Training	Jul-Sept, 2024	CAMPA
4.	Molecular Taxonomy	One Week Training	Oct-Dec, 2024	CAMPA
5.	Forest biometrics and growth modeling	One Week Training	Oct-Dec, 2024	CAMPA
6.	Environmental Impact Assessment	One Week Training	Jan-Mar, 2025	CAMPA
7.	Nanotechnology- production, estimation and characterization of nano particles	One Week Training	2024-25	CAMPA
8.	Herbarium techniques and digital data base preparation	One Week Training	2024-25	CAMPA
9.	Agroforestry and land use management	One Week Training	2024-25	CAMPA
10.	Basic techniques of pesticide formulations	One Week Training	2024-25	CAMPA
11.	Inducing stress in trees for flowering and heartwood induction	Three Days Training	2024-25	CAMPA
12.	Natural processing of gums and resins	One Week Training	2024-25	CAMPA

Trainings for Technical Officers and Staff

S.N	Topic	Training Types	Dates	Funding Agency
1.	Research Methodology and statistical tools in forestry	One Week Training	Apr-Jun, 2024	CAMPA
2.	Herbarium techniques and digital database preparation	One Week Training	Jul-Sept, 2024	CAMPA
3.	Library Information System	One Week Training	Jul-Sept, 2024	CAMPA
4.	Tissue culture of Trees and Bamboos	One Week Training	Oct-Dec, 2024	CAMPA
5.	Field Survey, Data Collection, Compilation and analysis	One Week Training	Oct-Dec, 2024	CAMPA
6.	Introduction to remote sensing, GIS & their applications in forestry research	One Week Training	Jan-Mar, 2025	CAMPA
7.	SWDES/HYMOS Software	One Week Training	2024-25	CAMPA
8.	Insect pest collection handling, preservation and biological control	One Week Training	2024-25	CAMPA
9.	NTPF value addition and assessment	One Week Training	2024-25	CAMPA

Trainings for Administrative Staff

S.N	Topic	Training Types	Dates	Funding Agency
1.	Computers application	Three Days Training	Apr-Jun, 2024	CAMPA
2.	Finance, budget and accounts, internal audits and control	Three Days Training	Jul-Sept, 2024	CAMPA
3.	Recruitment, roster writing and reservation in services, promotions, engagement of personnel	Three Days Training	Oct-Dec, 2024	CAMPA
4.	House Keeping and Catering	Three Days Training	Jan-Mar, 2025	CAMPA

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Guiding Principles and implementation strategies of diversion conditions in mining projects under FCS- Organized by ADG (EM)	One week compulsory Training	24-28 June at IFP, Ranchi	MoEF&CC
2.	International agreements related to forestry, climate change and environment and their implication in Indian scenario- Organized by ADG (BCC)	One week compulsory Training	10-14 June, 2024	MOEFCC

ICFRE-FOREST RESEARCH INSTITUTE, DEHRADUN

The Forest Research Institute, Dehradun is engaged in carrying out educational and research works on different aspects of forestry in the jurisdiction states of Uttarakhand, Uttar Pradesh, Punjab, Haryana, Chandigarh and Delhi. The Institute is involved in carrying out research in four Thrust Areas, including forestry Education and Extension of technological developments of the Indian Council of Forestry Research & Education (ICFRE) and its institutes. The Institute is also pursuing identified priority area of research in 15 Research Initiatives (Themes) suggested by MoEF&CC. The Forest Research Institute, Deemed University is conducting four Master Degree courses and Ph.D programmes in 23 different forestry related disciplines.

Training courses on payment basis

S.N	Topic	Training Types	Dates	Funding Agency
1.	Application of remote sensing, GIS and GPS in forest resource assessment	Short Term Training	01-03 May, 2024	Paid Training
2.	Classification and grading of timber	Short Term Training	23-27 Sept, 2024	Paid Training
3.	Butterfly Monitoring & Butterfly Inclusive Tourism as a Source of Livelihood	Short Term Training	10-13 Sept, 2024	Paid Training
4.	Skilled Development in Para taxonomy	Short Term Training	18-22 Nov, 2024	Paid Training
5.	Timber structure and design	Short Term Training	19-23 Nov, 2024	Paid Training
6.	Formaldehyde emission by perforator method (IS13745)	Short Term Training	24-26 Jul, 2024	Paid Training
7.	Seasoning and Preservation of wood and bamboo	Short Term Training	21-25 Oct, 2024	Paid Training
8.	Plywood Manufacture	Short Term Training	29 Apr to 03 May, 2024	Paid Training
9.	Urban Tree Risk Management/ Hazardous Avenue Trees	Low-Cost Short Term Training	05-07 Aug, 2024	Paid Training
10.	Vesicular Arbuscular Mycorrhiza (VAM) mass production	Low-Cost Short Term Training	11-13 Dec, 2024	Paid Training
11.	Edible/Medicinal Mushroom Cultivation	Low-Cost Short Term Training	16-18 Oct, 2024	Paid Training
12.	Mass multiplication of Biocontrol agent Trichoderma	Low-Cost Short Term Training	16-18 Aug, 2024	Paid Training
13.	Harnessing Nature's Bounty, Essential Oils and Natural Dyes for Livelihood Generation	Low-Cost Short Term Training	08-12 July, 2024	Paid Training
14.	कृषिवानिकी एवं बाजारीकरण व्यवस्था	Low-Cost Short Term Training	18-20 Sept, 2024	Paid Training

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Guiding Principles and implementation strategies of diversion conditions in Linear project under FC	One week compulsory training	15-19 April, 2024	MoEF&CC, New Delhi
2.	Field Enumeration, Data Collection and Analysis of Ecosystem Services of Forests for Working Plan Code 2023	One week compulsory training	22-26 April, 2024	MoEF&CC, New Delhi

3.	Guiding Principles for processing of FCA project including specific provision of part-I & II forms like cost-benefits analysis, specific recommendations, site inspection report, check list, CA land	One week compulsory training	27-31 May, 2024	MoEF&CC, New Delhi
4.	Forest Fire monitoring and damage assessment	One week compulsory training	18-22 Nov, 2024	MoEF&CC, New Delhi
5.	Preparation of Ecosystem Health Card (Conducted by ERC, Prayagraj)	Three Days compulsory training	11-13 Nov, 2024	MoEF&CC, New Delhi
6.	Human Wildlife Interface Management	One week compulsory training	16-20 Dec, 2024	MoEF&CC, New Delhi
7.	Best Practices for effective management of Invasive Alien Plants	One week compulsory training	04-08 Nov, 2024	

ICFRE-INSTITUTE OF WOOD SCIENCE & TECHNOLOGY, BENGALURU

Institute of Wood Science & Technology (IWST), Bengaluru, one of the Institutes of Indian Council of Forestry Research & Education (ICFRE) was established in 1988. Earlier, the then Government of Mysore had set up a Forest Research Laboratory (FRL) at Bengaluru in 1938. In the initial years, work carried out mainly on properties and uses of different timber species, essential oils, other non-wood forest products and protection of wood and trees from pests and diseases. In 1956, this laboratory was organized as a regional centre of Forest Research Institute and Colleges, Dehradun. In 1977, Sandal Research Centre was set up to undertake research on wide-ranging aspects of Genetics, Silviculture and management of sandal. The Institute is presently catering the need of research and training in various aspects of wood science for Industries, Public and other Stakeholders.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1	Sustainable Infrastructure Development through Wood	One week compulsory training	20-24 May, 2024	MoEF&CC, New Delhi
2	Enhancing productivity of Forest Corporations through value addition to wood	One week compulsory training	22-26 July, 2024	MoEF&CC, New Delhi
3	Sandalwood Cultivation and Management	Three days Training for IFS Officers	07-09 Aug, 2024	MoEF&CC, New Delhi
4	National Working Plan Code- 2023 and Indian Forest Management Standard	One week compulsory training	19-23 Aug, 2024	MoEF&CC, New Delhi

ICFRE-ARID FOREST RESEARCH INSTITUTE, JODHPUR

Arid Forest Research Institute has been established since 1988 to cater the forestry needs of the arid and semi-arid region of Rajasthan, Gujarat & Dadar Nagar Haveli & Daman-Diu.

The institute is situated on Jodhpur, Pali Raod in beautiful campus spreading over 20.82 hectare area housing office building, laboratories, library cum information centre, community centre, guest house, scientist hostel and residential quarters. It is known for its contribution of research & Development in various domains of forestry in arid & semi-arid areas of country.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Nursery technologies for arid and semi-arid region species	Training for Other Stakeholders	2-4 Oct, 2024	MOEFCC
2.	Integrated Approach for Sustainable Development of Fragile Desert Eco-System	IFS Refresher course	25-29 Nov, 2024	MOEFCC
3.	Sensitization on ecological aspect and sustainable forestry of dry area	Training for personnel of other services	11-13 Dec, 2024	MOEFCC

Other Trainings

S.N	Topic	Training Types	Dates	Funding Agency
4.	उच्च गुणवत्ता युक्त पौध उत्पादन एवं पौधशाला प्रबंधन	VVK Training	Oct, 2024	CAMPA
5.	मृदा एवं जल संरक्षण में वानिकी की भूमिका	VVK Training	Nov, 2024	CAMPA
6.	उच्च गुणवत्ता युक्त पौध का कृषि वानिकी में महत्व	VVK Training	Dec, 2024	CAMPA
7.	Tree Grower Mela	Kisan Mela/Fair	(i) Oct, 2024 (ii) Dec, 2024	CAMPA
8.	Mass production and utilization of AM fungi and Bio-fertilizers for Quality planting material	Training under AICRP	One day (last week of May, 2024 or first week of June 2024)	CAMPA (AICRP-21)

ICFRE-TROPICAL FOREST RESEARCH INSTITUTE, JABALPUR

The Tropical Forest Research Institute, Jabalpur is one of the eight regional institutes under the Indian Council of Forestry Research & Education, Dehradun. The Institute came into existence in April 1988, although its origin goes back to 1973 when a Regional Centre of Forest Research Institute, Dehradun was established at Jabalpur to provide research support to the problems of forest management in central India. The Institute has not only steadily advanced in terms of infrastructure but also specialized itself as a major nucleus for research on forestry and ecology related problems of tropical forests of the central region comprising of the states of Madhya Pradesh, Chhattisgarh, Maharashtra and Orissa.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	One week refresher training course for IFS Officers on “Agroforestry and farmers livelihood: issues and solutions for different states”	One week compulsory Training	05-09 Aug, 2024	MOEF&CC, New Delhi

Trainings on Payment basis

S.N	Topic	Training Types	Dates	Funding Agency
1.	Role of corporate houses/industries in Biodiversity Conservation	Training	18-20 Sept, 2024	Paid Training (Corporate personnel)
2.	Training on Soil, Plant and Water analysis	Training	21-25 October, 2024	Paid Training Student and researchers
3.	Hands on training on QGIS	Training	19-21 Nov, 2024	Paid Training Student and researchers
4.	5 days training/internship program for graduate students	Training	Jan-Feb, 2025	Paid Training Student and researchers

Other Trainings

S.N	Topic	Training Types	Dates	Funding Agency
1.	Training on Propagation Conservation and value addition of Wild and Edible Fruiting Species <i>Semecarpus anacardium</i> and <i>Flacourtia indica</i>	Training under AICRP	May, 2024	AICRP-27
2.	Capacity building program for promoting soil test based nutrient management practices	Training under AICRP	14 June, 2024	AICRP-22
3.	One day training program on ‘Capacity Building on Plantation and its Management techniques of Commercially important tree species’ in Jagadapur	Training	June, 2024	CAMPA-CG
4.	One day training program on ‘Capacity Building on Plantation and its Management techniques of Commercially important tree species’ in Ambikapur	Training	June, 2024	CAMPA-CG
5.	Training on Propagation Conservation and value addition of Wild and Edible Fruiting Species <i>Semecarpus anacardium</i> and <i>Flacourtia indica</i>	Training under AICRP	June, 2024	AICRP-27
6.	Training on Seed and Nursery Technology of Selected Plant Species in Central India	Training under AICRP	July, 2024	AICRP-10

7.	Propagation and Nursery Management of Bamboos	Training	Aug, 2024	Chhattisgarh Forest Dep.
8.	Capacity Building program for promoting soil test based nutrient management practices	Training under AICRP	6 Sept, 2024	AICRP-22
9.	Sustainable Agroforestry Ventures: Empowering Entrepreneurs Through Organic Fertilizers, Bio-fertilizers and Bio-pesticides	Training	Sept-Dec, 2024	CCS-NIAM, Jaipur
10.	Bamboo Based agroforestry system and its utilization	Training	October, 2024	NABARD
11.	Vegetative Propagation of Forestry Species & High-Tech Nursery Techniques	Training	October, 2024	Chhattisgarh/ Maharashtra Forest Department
12.	Detection and diagnosis of forest pest and diseases	Training	Nov, 2024	ICFRE/SFDs
13.	Capacity Building program for promoting soil test based nutrient management practices	Training under AICRP	6 Dec, 2024	AICRP-22
14.	Bio-fertilizer and Organic Fertilizer Mass production techniques	Training	Dec, 2024	ICFRE/SFDs
15.	Capacity Building for Farmers about the Sandal Wood best Agroforestry system	Training under AICRP	Dec, 2024	AICRP-03
16.	One day Training programme on “Management and production of fodder from Tree Fodder”	Training under AICRP	2 nd Week of Jan, 2025	AICRP-17
17.	Training on Instrumentation	Training	20-24 Jan, 2025	Self-Finance
18.	CPT/PT Selection, SPA, Seed orchard, Progeny trial establishment, evaluation and management	Training	Jan, 2025	Chhattisgarh/ Maharashtra Forest Department
19.	Mushroom cultivation techniques for beginners	Training	Jan, 2025	ICFRE/SFDs
20.	Forestry interventions for management and utilization of flyash	Training	4-6 Feb, 2025	Adani Power Limited (Officers of Adani Pvt Ltd)
21.	One day training on “Popularization of <i>Gmelina</i> wood and its management	Training under AICRP	2 nd week of Feb, 2025	AICRP-30

ICFRE-HIMALAYAN FOREST RESEARCH INSTITUTE, SHIMLA

Himalayan Forest Research Institute (HFRI), Shimla was established as High Level Conifer Regeneration Research Centre during May, 1977 for carrying out Research on problem associated with natural regeneration of Silver Fir and Spruce. The Institute made its humble beginning from this Centre and at the time of re-organization of forestry research in India it was upgraded in to full-fledged research institute of ICFRE in 1988. The HFRI carry out research on the issues of high altitude forests.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Cultivation and conservation of important temperate medicinal plants for livelihood generation	Three days compulsory Training	06-08 May, 2024	MOEF&CC, New Delhi

Other Trainings

S.N	Topic	Training Types	Dates	Funding Agency
1.	साइलेज विधि: चारा आभाव अवधि में पोष्टिक चारे हेतु एक उत्तम विकल्प	Training under AICRP	21 June, 2024	AICRP-17
2.	Agroforestry: An Option for Augmenting Additional Income for the Farming Communities of Cold Desert Regions	Training	01 Day July, 2024	PLAN Project
3.	साइलेज विधि: चारा आभाव अवधि में पोष्टिक चारे हेतु एक उत्तम विकल्प	Training under AICRP	12 July, 2024	AICRP-17
4.	Capacity building of stakeholders on Seed and Nursery Techniques of Important Temperate Forestry Species	Training under AICRP	01 Day September, 2024	AICRP-10
5.	Biodiversity and its Conservation	Training	23-24 Oct, 2024	-
6.	Promotion of cultivation of <i>Frilillaria roylei</i> among local communities of Himachal Pradesh	Training	02 Days September, 2024	NMPB Project
7.	Conservation and sustainable management of <i>Pinus gerardiana</i> for livelihood improvement of tribal communities of dry temperate regions of Himachal Pradesh	Training	02 Days October, 2024	ICFRE Project
8.	Nursery and Plantation techniques of Kaphal and Bird Cherry	Training under AICRP	08 Nov, 2024	AICRP-27
9.	Application of microbes in organic cultivation of crops and sustainable agriculture	Training	03 Days December, 2024	EAP Project
10.	Systematics and characterization of insect fauna of North Western Himalaya	Training under AICRP	03 Days December, 2024	AICRP-20
11.	Eco-friendly practices for management of insect-pests of forests	Training under AICRP	03 Days February, 2024	AICRP-20
12.	Production and application of <i>Trichoderma</i> in plant disease management	Training	1 day Feb, 2024	EAP Project
13.	Capacity building training programme for frontline staff of Himachal Pradesh Forest Department	Training	10-12 Feb, 2025	HATZ Project

ICFRE-INSTITUTE OF FOREST GENETICS & TREE BREEDING, COIMBATORE

The Institute of Forest Genetics and Tree Breeding (IFGTB) is a national Institute established in April, 1988 under the Indian Council of Forestry Research (ICFR). It is a multi-faceted research Institute primarily aimed to carry out research to improve productivity of forest tree species through conventional breeding programmes and biotechnological interventions. Mainstream research carried out by the Genetics and Biotechnology divisions is supported by Silviculture, Seed technology, Protection (Entomology & Pathology), Agro-forestry and Bio-diversity divisions.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Strategies for short term economic benefits by agroforestry practices	IFS Refresher course	06-10 Jan, 2025	MOEFCC New Delhi
2.	Forest Genetics Resources and Tree Improvement for Science teacher	Training	11-13 Dec, 2024	MOEFCC New Delhi

Trainings on Payment basis

S.N	Topic	Training Types	Dates	Funding Agency
1.	Vegetative propagation of tree species	Training	On Demand	Paid Training
2.	Hands on training on HPLC & GC-MS/MS: Instrumentation, operation and Applications	Training	June or July, 2024	Paid Training
3.	Short term hands on training on Characterization of forest genetic resources	Training	July, 2024	Paid Training

Other Trainings

S.N	Topic	Training Types	Dates	Funding Agency
1.	Basics of Molecular Biology and Biochemistry	Lecture Series	08.01.2025	Plan
2.	ABC of DNA	Training	26-27 Sept, 2024	Plan
3.	One day field visit to nearby forest/protected area for creating awareness on Biodiversity Conservation and Nature walk- 30 students	Exposure Visit	June, 2024	CAMPA
4.	One day training program on 'Pest & Disease Mgmt in nursery and plantations' for 30 SFD staff of Tamil Nadu	Training	July, 2024	CAMPA
5.	One day training program on "Agroforestry models for higher economic returns" to 75 farmers of Tiruppur Distt	Training	Aug, 2024	CAMPA
6.	Tree Growers Mela at Kerala	Mela	Sept-Oct, 2024	CAMPA
7.	Tree Growers Mela at Erode	Mela	Nov, 2024	NABARD
8.	One day field visit to nearby forest/protected areas for creating awareness on Biodiversity Conservation and Nature walk- 30 students	Exposure Visit	Nov, 2024	CAMPA
9.	One day training program on "Agroforestry models for higher economic returns" to 75 farmers of Salem & Namakkal Distt	Training	Oct, 2024	CAMPA

10.	One day training program on ‘TC Teak cultivation techniques’ to 75 farmers from Dharmapuri, Krishnagiri and districts	Training	Oct, 2024	CAMPA
11.	One day training program on “Establishment and Management of Eucalyptus Clonal Plantation” 30 officials of TAFCORN.	Training	Dec, 2024	CAMPA
12.	Two days training on “Tree Improvement & Vegetative propagation techniques” to 30 staff of SFD, Tamilnadu	Training	Jan, 2025	CAMPA
13.	One day training on “Pulpwood species of Casuarina clones” to 75 farmers of Tindivanam Dist., in collaboration with KVK, Thindivnam	Training	Feb, 2025	CAMPA
14.	One day field visit to nearby forest/protected areas for creating awareness on Biodiversity Conservation and Nature walk- 30 students	Exposure Visit	Feb, 2025	CAMPA
15.	AM fundi: Culture and applications- Front line staff of State Forest Department	Training	15.07.2024	
16.	Training on identification and management of insect-pests and diseases in forest nurseries and plantation- Front line staff of State Forest Departments	Training	21.11.2024	
17.	Cultivation practices of Wild Edible Fruits for Farmers, foresters, NGOs	Training	23-24 Aug, 2024	AICRP-27
18.	Seed Handling and Nursery Techniques for Selected Species for SFDs	Training	7-8 Oct, 2024	AICRP-10
19.	Cultivation of Important Native Tree Species for Farmers/Tree growers	Training	7 th Feb, 2025	Plan/EAP
20.	Tribal training programme on jam preparation using red tamarind unripen fruit extract	Training	Aug, 2024	DST Project
21.	Tribal training on capacity building (Onsite)	Training	Dec, 2024	DST project
22.	Training on Quality Planting Material Production in Nursery for forest department staff	Training	May, 2024	UK-DARWIN Project
23.	Training on Seed source identification, collection, handling, and nursery raising of commercial tree species for private tree nurseries	Training	June, July, Aug, 2024	UK-ARWIN Project

ICFRE-INSTITUTE OF FOREST PRODUCTIVITY, RANCHI

Encompassing the picturesque eastern Himalayas in Sikkim and North Bengal, the fertile alluvial expanse of Indo-Gangetic plains in Bihar and West Bengal, deltaic and coastal mangroves of the world famous Sunderbans, a pocket of Tarai Sal forest in the north west corner of Bihar and tropical deciduous forests of Kaimur and Chhota Nagpur plateau overlaying rich and enticing mineral resources within its jurisdiction, the Institute of Forest Productivity is a premier forestry research organization catering to the forestry research needs of eastern India. Its jurisdiction includes Jharkhand, West Bengal, Bihar and Odisha. The Institute is engaged in research and capacity building in forestry issues in its jurisdiction.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Guiding Principles and implementation strategies of diversion conditions in mining projects under FCA	Training for IFS Officers	13-17 May, 2024	MOEFCC New Delhi
2.	Advancement in NTFP research, value addition and marketing strategies	Training for IFS Officers	20-24 Jan, 2024	MOEFCC

Other Trainings

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Cultivation techniques of Mushroom: An important NTFP of Jharkhand	Training	May, 2024	CAMPA Extension
2.	Honey bee Farming and Importance of Honey bee in Biodiversity conservation	Training	June, 2024	CAMPA Extension
3.	Important techniques of Lac cultivation and value addition	Training	July, 2024	CAMPA Extension
4.	NTFP collection, Value addition and Marketing	Training	August, 2024	CAMPA Extension
5.	Bamboo propagation and plantation techniques	Training	Sept, 2024	CAMPA Extension
6.	Agroforestry Systems for enhancing rural livelihood	Training	Oct, 2024	CAMPA Extension
7.	Vermicomposting techniques and methods	Training	Nov, 2024	CAMPA Extension
8.	Medicinal Plants cultivation and opportunity for alternative income for enhancing rural economy	Training	Dec, 2024	CAMPA Extension

ICFRE-RAIN FOREST RESEARCH INSTITUTE, JORHAT

Rain Forest Research Institute (RFRI), Jorhat, Assam is one of the constituent institutes of Indian Council of Forestry Research and Education (ICFRE), Dehradun. The institute came into existence in 1988 to cater the forestry related research & extension needs of the North-Eastern Region of the country. The Institute encompasses of all the disciplines of forestry research. Recently an Advanced Research Centre for Bamboo and Rattan (ARCBAR) has also been established at Aizawl in Mizoram under this institute.

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Junior Rangers- Connecting Students with Nature for students of KV at ICFRE-RFRI, Jorhat- Other Stakeholders	Training	August, 2024	MoEFCC
2.	Week long training Course for IFS Officers on Bamboo Resource Development for addressing Livelihood Concerns of Communities at ICFRE-RFRI, Jorhat	Training	02-06 Dec, 2024	MoEFCC
3.	Forestry addressing livelihood issues of people of North Eastern States at ICFRE-RFRI, Jorhat- Training of Other Services	Training	29-31 Jan, 2025	MOEFCC

Other Trainings

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Skill Development Training on Agarwood Cultivation and Artificial Inoculation	Training	24-26 April, 2024	Self Sponsored
2.	Three days training on Bamboo Charcoal Making for 20 persons at Demo Village of ICFRE-RFRI	Training	May, 2024	CAMPA
3.	Three days residential training on Bamboo Short Processing and value Addition for 20 persons under AICRP-2 on Bamboo (Component 8)	Training	June, 2024	CAMPA
4.	Training Under VVK & DV Programme for minimum twenty participants on different forestry and livelihood related topics	Training	June, 2024	CAMPA
5.	Three days residential Skill Development Training on Bamboo Nursery Cultivation and Management for 20 Farmers, NGOs etc under AICRP-2 on Bamboo (Component-8)	Training	July, 2024	CAMPA
6.	Training under VVK & DV Programme for minimum twenty participants on different forestry and livelihood related topic	Training	July, 2024	CAMPA
7.	Weeklong residential Training on Bamboo Preservation, Bamboo Charcoal Making & Briquetting for 20 participants under AICRP-2 on Bamboo (Component-8)	Training	August, 2024	CAMPA

8.	Skill Development training on Agarwood Cultivation and Artificial Inoculation	Training	Sept, 2024	Self Sponsored
9.	Ten-day Skill Development training on Bamboo Hadicraft Making for 20 participants under AICRP-2 on Bamboo (Component-8)	Training	Oct, 2024	CAMPA
10.	Training under VVK & DV Programme for minimum twenty participants on different forestry and livelihood related topic	Training	Oct, 2024	CAMPA
11.	Participation in Famers fair/Exhibition under AICRP-2 on Bamboo (Component-8)	Farmers fair/Exhibition	Nov, 2024	CAMPA/ICFRE Plan
12.	Training under VVK & DV Programme for minimum twenty participants on different forestry and livelihood related topic	Training	Dec, 2024	CAMPA
13.	Participation in Farmers fair/Exhibition under AICRP-2 on Bamboo (Component-8)	Training	Dec, 2024	CAPMA
14.	Skill Development Training on Agarwood Cultivation and Artificial Inoculation	Training	Dec, 2024	Self Sponsored
15.	Three day training on Bamboo Shoot processing and value addition under AICRP-2 on Bamboo (Component-8)	Training	Dec, 2024	CAMPA
16.	Participation in Famers fair/Exhibition under AICRP-2 on Bamboo (Component-8)	Famers fair/ Exhibition	January, 2025	CAMPA
17.	Training under VVK & DV Programme for minimum twenty participants on different forestry and livelihood related topic	Training	Feb, 2025	CAMPA
18.	Training under VVK & DV Programme for minimum twenty participants on different forestry and livelihood related topics	Training	March, 2025	CAMPA

ICFRE-LEC, AGARTALA (TRIPURA)

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Bamboo and Rattan: From conservation to sustainable Utilization at ICFRE-LE Agartala-Training of Other Services	Training	18-20 June, 2024	MOEFCC
2.	Three days training workshop for IFS Officers on preparation of Ecosystem Health Card in collaboration with NCSCM/IIFM at	Training Workshop	27-29 November, 2024	MOEFCC

	ICFRE-LE Agartala			
3.	Forestry addressing livelihood issues of people of North Eastern States at ICFRE-LE Training of Other Services	Training	25-27 Feb, 2025	MOEFCC

Other Trainings

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Training Programme on Bamboo Propagation and Nursery Management	Training	14 May, 2024	ICFRE
2.	5-7 days Workshop programme on skill development on bamboo handicrafts for livelihood development	Workshop	20 May, 2024	ICFRE
3.	Training on low-cost Vermicomposting techniques	Training	04-06 June, 2024	ICFRE
4.	Training programme on Bamboo Propagation and Nursery Management	Training	27 June, 2024	ICFRE
5.	Three-days long skill Development training on Bamboo Shoot Processing and Value Addition	Workshop	16 July, 2024	NABARD
6.	Bamboo propagation, nursery management and Vermicomposting	Training	08 Aug, 2024	ICFRE
7.	4-5 days workshop programme on Skill Development on Bamboo Utility Products	Workshop	26 Aug, 2024	NABARD
8.	Training on low-cost Vermicomposting techniques	Training	12 Sept, 2024	ICFRE
9.	5-7 days skill upgradation and capacity building program for training cum workshop and community enterprise development on bamboo made eco-friendly utility products	Workshop	16 Dec, 2024	NABARD
10.	Basic Statistics and Sampling Techniques in Forestry	Training	08 January, 2025	TSFA
11.	3-4 days training cum workshop programme on “Establishment of Herbal Home Gardens and Traditional Health Care”	Workshop	17 January, 2025	ICFRE

ICFRE-BRC, AIZAWL (MIZORAM)

Trainings under EKCB Scheme of Ministry

S.N	Topic	Training Types	Dates	Funding Agency
1.	Three-day training Workshop for IFS Officers on Preparation of Ecosystem Health Card in collaboration with NCSM/IIFM at ICFRE-BR, Aizawal	Training Workshop	06-08 May, 2024	MOEFCC
	Bamboo and Rattam From conservation to sustainable Utilization at ICFRE-BR- Training of Other Services	Training	24-26 July, 2024	MOEFCC
	Micro and Macro Propagation Orchids at ICFRE-BR Aizawl- Other Stakeholders	Training	18-20 Nov, 2024	MOEFCC

Other Trainings

S.N	Topic	Training Types (Training /Workshop / Seminar/ Conference etc)	Dates	Funding Agency
1.	Weeklong Trainings on Bamboo Furniture, Handicrafts & Architecture for a minimum twenty participants under VVK Programme	Training Workshop	June, 2024	CAMPA
2.	Weeklong Training on Orchids, Mushrooms and Bamboo shoot or a minimum twenty participants under VVK Programme	Training Workshop	August, 2024	CAMPA
3.	2 Nos of Weeklong Trainings on Vermicomposting, Bamboo Propagation, Bamboo Charcoal for a minimum twenty participants under VVK Programme	Training Workshop	Sept, 2024	CAMPA
4.	Weeklong Trainings on forestry and livelihood issues for a minimum twenty participants under VVK Programme	Training Workshop	Dec, 2024	CAMPA
5.	2 Nos of Weeklong Trainings on forestry and livelihood issues for a minimum twenty participants under VVK Programme	Training Workshop	January, 2025	CAMPA

ICFRE- INSTITUTE OF FOREST BIODIVERSITY, HYDERABAD

The Institute of Forest Biodiversity was established during December 2012 vide ICFRE order no. 58-21/XLVII/2012-ICFRE dated 7th December 2012, by upgradation of the erstwhile Forest Research Centre, Hyderabad.

The Institute is located at Dulapally, and spread over an area of one hundred acres, the Institute has the necessary infrastructure viz., administrative block, three laboratories (molecular genetics, tissue culture and soil science), library, field trial areas (comprising germplasm banks, seedling seed orchards, and agroforestry models), nursery area (complete with shade houses and mist chamber) to take up research and development projects on the biodiversity. The Institute has a field station spread over sixty acres at Mulug, Hyderabad.

Institute of Forest Biodiversity
